

FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

MAINE SMALL BUSINESSES DO

Presidential Tariffs Paid by Maine Companies
March 2018– August 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$86 million** paid by Maine importers from March to August alone!

\$221M

of Maine's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$20M

of the \$27M paid on imports into Maine in August 2025 -- or 76% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
