

FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

WEST VIRGINIA SMALL BUSINESSES DO

Presidential Tariffs Paid by West Virginia Companies
March 2018 – October 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$325 million** paid by West Virginia importers from March to October alone!

\$541M

of West Virginia's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$61M

of the \$67M paid on imports into West Virginia in October 2025 -- or 91% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
