

# FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

## SOUTH CAROLINA SMALL BUSINESSES DO

Presidential Tariffs Paid by South Carolina Companies  
March 2018 – October 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$4.5 billion** paid by South Carolina importers from March to October alone!

**\$10B**

of South Carolina's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

**\$751M**

of the \$829M paid on imports into South Carolina in October 2025 -- or 91% -- were due presidential actions (Section 232, IEEPA, etc.)

**800+**

small businesses have banded together to join the fight against harmful tariff policies.
