

# FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

## MINNESOTA SMALL BUSINESSES DO

Presidential Tariffs Paid by Minnesota Companies  
March 2018 – October 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$2.4 billion** paid by Minnesota importers from March to October alone!

**\$6.6B**

of Minnesota's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

**\$449M**

of the \$495M paid on imports into Minnesota in October 2025 -- or 91% -- were due presidential actions (Section 232, IEEPA, etc.)

**800+**

small businesses have banded together to join the fight against harmful tariff policies.
