DELAWARE SMALL BUSINESSES DO

Presidential Tariffs Paid by Delaware Companies
March 2018 – November 2025

*2018/2019 tariffs seemed
huge after decades of few
presidentially imposed
tariffs ...*

*...but pale in comparison to the
\$521 million paid by
Delaware importers from March
to November alone!*

\$946M

of Delaware's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$68M

of the \$78M paid on imports into Delaware in November 2025 -- or 87% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
