

# FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

## OHIO SMALL BUSINESSES DO

Presidential Tariffs Paid by Ohio Companies  
March 2018– August 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$3.8 billion** paid by Ohio importers from March to August alone!

**\$12B**

of Ohio's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

**\$802M**

of the \$943M paid on imports into Ohio in August 2025 -- or 85% -- were due presidential actions (Section 232, IEEPA, etc.)

**800+**

small businesses have banded together to join the fight against harmful tariff policies.
