# ARKANSAS SMALL BUSINESSES DO

Presidential Tariffs Paid by Arkansas Companies  
March 2018 – November 2025

2018/2019 tariffs seemed  
huge after decades of few  
presidentially imposed  
tariffs ...

...but pale in comparison to the  
**\$535 million** paid  
by Arkansas importers from  
March to November alone!

**\$1.9B**

**\$60M**

**800+**

of Arkansas' tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

of the \$66M paid on imports into Arkansas in November 2025 -- or 92% -  
- were due presidential actions (Section 232, IEEPA, etc.)

small businesses have banded together to join the fight against harmful tariff policies.
