MINNESOTA SMALL BUSINESSES DO

Presidential Tariffs Paid by Minnesota Companies
March 2018 – September 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$1.9 billion** paid by Minnesota importers from March to September alone!

\$6.2B

of Minnesota's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$392M

of the \$447M paid on imports into Minnesota in September 2025 -- or 88% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
