

**FOREIGN GOVERNMENTS DON'T
PAY THE TARIFFS...**

NEW JERSEY SMALL BUSINESSES DO

**Presidential Tariffs Paid by New Jersey Companies
March 2018 – November 2025**

*2018/2019 tariffs seemed
huge after decades of few
presidentially imposed
tariffs ...*

*...but pale in comparison to the
\$8.5 billion paid by
New Jersey importers from
March to November alone!*

\$19B

of New Jersey's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$977M

of the \$1.2B paid on imports into New Jersey in November 2025 -- or 83% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
