

FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

NORTH DAKOTA SMALL BUSINESSES DO

Presidential Tariffs Paid by North Dakota Companies
March 2018 – October 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$115 million** paid by North Dakota importers from March to October alone!

\$305M

of North Dakota's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$21M

of the \$22M paid on imports into North Dakota in October 2025 -- or 96% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
