

# FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

## GEORGIA SMALL BUSINESSES DO

Presidential Tariffs Paid by Georgia Companies  
March 2018 – November 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$12 billion** paid by Georgia importers from March to November alone!

**\$27B**

of Georgia's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

**\$1.5B**

of the \$1.7B paid on imports into Georgia in November 2025 -- or 91% -- were due presidential actions (Section 232, IEEPA, etc.)

**800+**

small businesses have banded together to join the fight against harmful tariff policies.
