

**FOREIGN GOVERNMENTS DON'T  
PAY THE TARIFFS...**

# **SOUTH DAKOTA SMALL BUSINESSES DO**

**Presidential Tariffs Paid by South Dakota Companies  
March 2018 – November 2025**

*2018/2019 tariffs seemed  
huge after decades of few  
presidentially imposed  
tariffs ...*

*...but pale in comparison to the  
**\$151 million** paid by  
South Dakota importers from  
March to November alone!*

**\$386M**

of South Dakota's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

**\$15M**

of the \$16M paid on imports into South Dakota in November 2025 -- or 95% -- were due presidential actions (Section 232, IEEPA, etc.)

**800+**

small businesses have banded together to join the fight against harmful tariff policies.
