PAY THE TARIFFS...**

WASHINGTON SMALL BUSINESSES DO

Presidential Tariffs Paid by Washington Companies
March 2018 – November 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$4.3 billion** paid by Washington importers from March to November alone!

\$11B

of Washington's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$476M

of the \$524M paid on imports into Washington in November 2025 -- or 91% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
