

# FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

## MICHIGAN SMALL BUSINESSES DO

Presidential Tariffs Paid by Michigan Companies  
March 2018 – October 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$11 billion** paid by Michigan importers from March to October alone!

**\$21B**

of Michigan's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

**\$1.8B**

of the \$1.9B paid on imports into Michigan in October 2025 -- or 96% -- were due presidential actions (Section 232, IEEPA, etc.)

**800+**

small businesses have banded together to join the fight against harmful tariff policies.
