# OKLAHOMA SMALL BUSINESSES DO

Presidential Tariffs Paid by Oklahoma Companies  
March 2018 – September 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$822 million** paid by Oklahoma importers from March to September alone!

**\$2.6B**

of Oklahoma's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

**\$127M**

of the \$139M paid on imports into Oklahoma in September 2025 -- or 91% -- were due presidential actions (Section 232, IEEPA, etc.)

**800+**

small businesses have banded together to join the fight against harmful tariff policies.
