PAY THE TARIFFS...**

MICHIGAN SMALL BUSINESSES DO

Presidential Tariffs Paid by Michigan Companies
March 2018 – November 2025

*2018/2019 tariffs seemed
huge after decades of few
presidentially imposed
tariffs ...*

*...but pale in comparison to
the **\$13 billion** paid
by Michigan importers from
March to November alone!*

\$23B

of Michigan's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$1.5B

of the \$1.6B paid on imports into Michigan in November 2025 -- or 95% -
- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
