

FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

WISCONSIN SMALL BUSINESSES DO

Presidential Tariffs Paid by Wisconsin Companies
March 2018 – October 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$2.7 billion** paid by Wisconsin importers from March to October alone!

\$8.1 B

of Wisconsin's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$460M

of the \$509M paid on imports into Wisconsin in October 2025 -- or 90% - were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
