# MISSOURI SMALL BUSINESSES DO

Presidential Tariffs Paid by Missouri Companies  
March 2018 – November 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$1.8 billion** paid by Missouri importers from March to November alone!

**\$5.0B**

of Missouri's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

**\$191M**

of the \$210M paid on imports into Missouri in November 2025 -- or 91% - were due presidential actions (Section 232, IEEPA, etc.)

**800+**

small businesses have banded together to join the fight against harmful tariff policies.
