

FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

ALABAMA SMALL BUSINESSES DO

Presidential Tariffs Paid by Alabama Companies
March 2018 – October 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$2.8 billion** paid by Alabama importers from March to October alone!

\$5.7B

of Alabama's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$432M

of the \$467M paid on imports into Alabama in October 2025 -- or 92% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
