KANSAS SMALL BUSINESSES DO

Presidential Tariffs Paid by Kansas Companies
March 2018 – November 2025

2018/2019 tariffs seemed
huge after decades of few
presidentially imposed
tariffs ...

...but pale in comparison to the
\$1.0 billion paid by
Kansas importers from March to
November alone!

\$2.6B

of Kansas' tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$135M

of the \$147M paid on imports into Kansas in November 2025 -- or 92% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
