

# FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

## MAINE SMALL BUSINESSES DO

Presidential Tariffs Paid by Maine Companies  
March 2018 – November 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$147 million** paid by Maine importers from March to November alone!

**\$282M**

of Maine's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

**\$20M**

of the \$24M paid on imports into Maine in November 2025 -- or 82% -- were due presidential actions (Section 232, IEEPA, etc.)

**800+**

small businesses have banded together to join the fight against harmful tariff policies.
