# OREGON SMALL BUSINESSES DO

Presidential Tariffs Paid by Oregon Companies  
March 2018 – September 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$1.3 billion** paid by Oregon importers from March to September alone!

**\$3.3B**

of Oregon's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

**\$214M**

of the \$257M paid on imports into Oregon in September 2025 -- or 83% -- were due presidential actions (Section 232, IEEPA, etc.)

**800+**

small businesses have banded together to join the fight against harmful tariff policies.
