

**FOREIGN GOVERNMENTS DON'T
PAY THE TARIFFS...**

NORTH DAKOTA SMALL BUSINESSES DO

**Presidential Tariffs Paid by North Dakota Companies
March 2018 – November 2025**

*2018/2019 tariffs seemed
huge after decades of few
presidentially imposed
tariffs ...*

*...but pale in comparison to the
\$138 million paid by
North Dakota importers from
March to November alone!*

\$327M

of North Dakota's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$22M

of the \$23M paid on imports into North Dakota in November 2025 -- or 96% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
