ARIZONA SMALL BUSINESSES DO

Presidential Tariffs Paid by Arizona Companies
March 2018 – September 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$1.6 billion** paid by Arizona importers from March to September alone!

\$4.1B

of Arizona's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$264M

of the \$292M paid on imports into Arizona in September 2025 -- or 91% - were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
