NEBRASKA SMALL BUSINESSES DO

Presidential Tariffs Paid by Nebraska Companies
March 2018 – November 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$365 million** paid by Nebraska importers from March to November alone!

\$975M

of Nebraska's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$36M

of the \$39M paid on imports into Nebraska in November 2025 -- or 92% - were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
