# KENTUCKY SMALL BUSINESSES DO

Presidential Tariffs Paid by Kentucky Companies  
March 2018 – September 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$2.9 billion** paid by Kentucky importers from March to September alone!

**\$6.5B**

of Kentucky's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

**\$572M**

of the \$622M paid on imports into Kentucky in September 2025 -- or 92% -- were due presidential actions (Section 232, IEEPA, etc.)

**800+**

small businesses have banded together to join the fight against harmful tariff policies.
