

# FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

## COLORADO SMALL BUSINESSES DO

Presidential Tariffs Paid by Colorado Companies  
March 2018– August 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$580 million** paid by Colorado importers from March to August alone!

**\$2.0B**

of Colorado's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

**\$121M**

of the \$139M paid on imports into Colorado in August 2025 -- or 88% -- were due presidential actions (Section 232, IEEPA, etc.)

**800+**

small businesses have banded together to join the fight against harmful tariff policies.
