PAY THE TARIFFS...**

# INDIANA SMALL BUSINESSES DO

Presidential Tariffs Paid by Indiana Companies  
March 2018 – November 2025

2018/2019 tariffs seemed  
huge after decades of few  
presidentially imposed  
tariffs ...

...but pale in comparison to the  
**\$5.0 billion** paid by  
Indiana importers from March  
to November alone!

**\$10B**

of Indiana's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

**\$637M**

of the \$697M paid on imports into Indiana in November 2025 -- or 91% -- were due presidential actions (Section 232, IEEPA, etc.)

**800+**

small businesses have banded together to join the fight against harmful tariff policies.
