RHODE ISLAND SMALL BUSINESSES DO

Presidential Tariffs Paid by Rhode Island Companies
March 2018 – November 2025

2018/2019 tariffs seemed
huge after decades of few
presidentially imposed
tariffs ...

...but pale in comparison to the
\$935 million paid by
Rhode Island importers from
March to November alone!

\$1.3B

\$82M

800+

of Rhode Island's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

of the \$92M paid on imports into Rhode Island in November 2025 -- or 89% -- were due presidential actions (Section 232, IEEPA, etc.)

small businesses have banded together to join the fight against harmful tariff policies.
