

**FOREIGN GOVERNMENTS DON'T
PAY THE TARIFFS...**

COLORADO SMALL BUSINESSES DO

**Presidential Tariffs Paid by Colorado Companies
March 2018 – September 2025**

*2018/2019 tariffs seemed
huge after decades of few
presidentially imposed
tariffs ...*

*...but pale in comparison to the
\$720 million paid by
Colorado importers from March
to September alone!*

\$2.2B

of Colorado's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$140M

of the \$157M paid on imports into Colorado in September 2025 -- or 89% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
