

FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

IDAHO SMALL BUSINESSES DO

Presidential Tariffs Paid by Idaho Companies
March 2018 – September 2025

2018/2019 tariffs
seemed huge after
decades of few
presidentially imposed
tariffs ...

...but pale in comparison to the
\$128 million paid by
Idaho importers from March to
September alone!

\$444M

of Idaho's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$26M

of the \$28M paid on imports into Idaho in September 2025 -- or 93% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
