

FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

MAINE SMALL BUSINESSES DO

Presidential Tariffs Paid by Maine Companies
March 2018 – September 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$106 million** paid by Maine importers from March to September alone!

\$241M

of Maine's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$20M

of the \$26M paid on imports into Maine in September 2025 -- or 79% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
