OREGON SMALL BUSINESSES DO

Presidential Tariffs Paid by Oregon Companies
March 2018 – November 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$1.7 billion** paid by Oregon importers from March to November alone!

\$3.6B

of Oregon's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$177M

of the \$203M paid on imports into Oregon in November 2025 -- or 87% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
