

**FOREIGN GOVERNMENTS DON'T
PAY THE TARIFFS...**

NORTH DAKOTA SMALL BUSINESSES DO

**Presidential Tariffs Paid by North Dakota Companies
March 2018 – September 2025**

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

*...but pale in comparison to the
\$94 million paid by
North Dakota importers from
March to September alone!*

\$284M

of North Dakota's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$15M

of the \$16M paid on imports into North Dakota in September 2025 -- or 95% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
