

FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

KANSAS SMALL BUSINESSES DO

Presidential Tariffs Paid by Kansas Companies
March 2018 – September 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$707 million** paid by Kansas importers from March to September alone!

\$2.3B

of Kansas' tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$149M

of the \$166M paid on imports into Kansas in September 2025 -- or 89% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
