MARYLAND SMALL BUSINESSES DO

Presidential Tariffs Paid by Maryland Companies
March 2018 – September 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$2.5 billion** paid by Maryland importers from March to September alone!

\$5.4B

of Maryland's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$402M

of the \$476M paid on imports into Maryland in September 2025 -- or 85% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
