MONTANA SMALL BUSINESSES DO

Presidential Tariffs Paid by Montana Companies
March 2018 – September 2025

\$130M

of Montana's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$6.4M

of the \$7.3M paid on imports into Montana in September 2025 -- or 89% - were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
