OKLAHOMA SMALL BUSINESSES DO

Presidential Tariffs Paid by Oklahoma Companies
March 2018 – November 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$1.1 billion** paid by Oklahoma importers from March to November alone!

\$2.8B

of Oklahoma's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$104M

of the \$116M paid on imports into Oklahoma in November 2025 -- or 89% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
