

FOREIGN GOVERNMENTS DON'T PAY THE TARIFFS...

OHIO SMALL BUSINESSES DO

Presidential Tariffs Paid by Ohio Companies
March 2018 – September 2025

2018/2019 tariffs seemed huge after decades of few presidentially imposed tariffs ...

...but pale in comparison to the **\$4.7 billion** paid by Ohio importers from March to September alone!

\$13B

of Ohio's tariffs paid since 2018 solely at the discretion of the President but never approved by Congress.

\$909M

of the \$1052M paid on imports into Ohio in September 2025 -- or 86% -- were due presidential actions (Section 232, IEEPA, etc.)

800+

small businesses have banded together to join the fight against harmful tariff policies.
